Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Services, including automatic crash notification and SOS, require an active subscription, and are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach INFINITI InTouch Services Customer Care or receive support. Services require compatible 3G GSM/GPRS cellular network provided by AT&T. 3G cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within INFINITI's or Sirius XM Connected Vehicle Service's Inc's control. Certain vehicle services, including Google™ compatible services, provided by independent companies are not within INFINITI's or SiriusXM's control and are subject to change without notice or liability to INFINITI, its affiliates and agents or SiriusXM. Like other devices that rely on network coverage, once the network service is discontinued, INFINITI InTouch services will not function without equipment replacements, upgrades, or alternative network coverage, which neither INFINITI nor Sirius XM can guarantee. INFINITI and Sirius XM are not responsible for associated costs that may be required for continued operation due to cellular network shutdown or discontinuation (including equipment upgrades, if available, or roaming charges on alternative networks). 6 month trial subscription begins on your date of purchase or lease of your new INFINITI. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will renew automatically under the terms of your subscription. Standard text rates and/or data usage may apply. Terms and Conditions of Subscription Agreement apply. See www.infinitiusa.com/intouch for more information. 7 Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. 8 Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. 9 Around View Monitor with Moving Object Detection cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. 10 The Advanced Climate Control System with Plasmacluster™ air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors Plasmacluster is a registered trademark of Sharp Corporation. 11 Forward Emergency Braking cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. 12 The Blind Spot Warning/Blind Spot Intervention Systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. 13 Backup Collision Intervention will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See owner's manual for details. 14 Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. 15 State laws may apply; review local laws before using. 16 Availability of specific features is dependent upon the phone's Bluetooth™ support. Please refer to your phone owner's manual for details.
