It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI Retailer before relying on it to make a purchase decision. Nissan North America, Inc. reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI website.

1 Available on select models. 2 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. 3 Slide-forward function should not be performed with the CRS occupied. 4 Claim based on 2016 Ward's Large Luxury Cross/Utility Vehicle Segment. 2017 INFINITI QX60 vs. 2016-2017 competitors. 5 Driving is serious business. Only use INFINITI InTouch Services and INFINITI InTouch Services Premier when safe to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Services, including Automatic Crash Notification and Emergency Call, require an active subscription, and are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach INFINITI InTouch Services Customer Care or receive support. Services require compatible 3G GSM/GPRS cellular network provided by AT&T. 3G cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within INFINITI's or Sirius XM Connected Vehicle Service's Inc.'s control. Certain vehicle services, including Google® compatible services, provided by independent companies are not within INFINITI's or SiriusXM's control and are subject to change without notice or liability to INFINITI, its affiliates and agents or SiriusXM. Like other devices that rely on network coverage, once the network service is discontinued, INFINITI InTouch services will not function without equipment replacements, upgrades, or alternative network coverage, which neither INFINITI nor Sirius XM can guarantee. INFINITI and Sirius XM are not responsible for associated costs that may be required for continued operation due to cellular network turnaround or discontinuation (including equipment upgrades, if available, or roaming charges on alternative networks). Trial Periods, unless otherwise specified: Six (6) month trial subscription begins on your date of purchase or lease of your new INFINITI. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will renew automatically under the terms of your subscription. Standard text rates and/or data usage may apply. Terms and Conditions of Subscription Agreement apply. See www.infnitiusa.com/intouch for more information. 6 State laws may apply; review local laws before using. 7 Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. See http://www.infnitiusa.com/bluetooth for details. 8 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. 9 Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. 10 The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See your Owner's Manual for more details. 11 AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. 12 The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. 13 Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. 14 FEB with Pedestrian Detection is not a replacement for responsible driving. May not provide braking or pedestrian detection in certain conditions. Limitations apply. See Owner's Manual for details. 15 Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. 16 BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. 17 PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. 18 Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. 19 2017 EPA Fuel Economy Estimates. MPG 20 city/27 hwy (QX60 3.5), 19 city/26 hwy (QX60 3.5 AWD), 25 city/27 hwy (QX60 Hybrid), 25 city/27 hwy (QX60 Hybrid AWD). Actual mileage may vary with driving conditions. Use for comparison only. 20 Covered by INFINITI's Limited Warranty on Genuine INFINITI Accessories for the longer of 12 months/12,000 miles (whichever is earlier) or the remaining period under the 4-year/60,000-mile INFINITI New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. 21 The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. 22 Up to 10 feet radius of the vehicle. Monthly subscription required for use of feature. 23 See INFINITI Towing Guide and Owner's Manual for proper use. 24 Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather service, and SiriusXM TravelLink services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2016 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. 25 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. 26 Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. 27 Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. 28 VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. 29 TPMS is not a substitute for regular tire pressure checks. 30 Active Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. 31 May require additional options or option packages.
